

What is The First Tee of Northwest Florida?

The mission of The First Tee of Northwest Florida is to positively impact the lives of young people by promoting character development and life-enhancing values through the First Tee's "Life Skills Learning Experience" and the great game of golf. Since founding the Local Chapter in 2004, their focus has been to reach young people who otherwise might not have an opportunity to learn and play the game of golf. The First Tee of Northwest Florida is committed to growing the game while ensuring that our programs are accessible and affordable to youth of all backgrounds, diversities, social strata and physical abilities, and always regardless of income or ability to pay.
